JUSTIFICATION

Although the defendant has continued to use narcotics and missed counseling on two occasions, it is felt he may benefit from individual counseling at this time. The defendant readily admits he has relapsed and understands he has one last opportunity to deal with his substance abuse issues in the community. Furthermore, the defendant admitted that alcohol has played a role in his drug use, and he is willing to modify his conditions and abstain from alcohol consumption during the remainder of his term of supervision. With the exception of his drug use, the defendant has complied with all other conditions of supervision and has reported as instructed by this officer. In consideration of these factors, the probation officer is recommending he enroll into individual counseling and abstain from the use of alcohol. It should be noted he has acknowledged his willingness to modify his conditions by signing a Waiver of Hearing to Modify Conditions of Supervised Release, which is attached for the Court's review.
